More releases are due from AFX later in the year:

“Here are some of the new cars coming later this year.
Note these are early prototypes, hand painted deco masters, and are little rough around the edges.

Some new colors for the Ford GTs and clear windows on the Mustang.
We don't have actual delivery dates yet, but will let you know when they are coming.
Stay tuned, there will be more cars and sets coming in the future!”
