THORL 2019 on

A change in the way THORL operates will start in the 3rd quarter of 2019.

Instead of the existing 12 month season, each race event will be standalone with no overall season championship.

4 or 5 meetings will be held over 12 months, at a central location to clubs in the South of the UK, tbc.

Morning racing will be based on platforms used over the previous years (MG, Viper), typically heats and finals. An afternoon class will be handout cars from THORL, with platforms from Wizzard HO, RPMs, JAG and more being considered, and a format suiting the particular platform being run (eg mini enduros).

Rules and Formats are being drafted and will be published on the THORL website over the Summer.

More details of our events are available on the website and on our [Facebook Page](#).

News, information, and the latest results can be found on the [THORL](#) website.
