## AFX New Releases

The latest announcement from AFX:

"THEY ARE HERE. The new single cars have arrived at our warehouse after being delayed a week due to snow in the mountain pass between Sacramento and Reno. They are currently being shipped out to the distributors. Once that is done, we will open up our web site for purchase (probably sometime late next week). There will be 3 Audi LMPs (the two you have already seen and a white version) and the Russkit Daytona Cobra. I'll put up new photos when I get them." (15 Mar 19)
