THORL Round 2 – October 14th @ SCHORC, Yelling, Cambridgeshire.

Round 2 takes us to the picturesque village of Yelling in Cambridgeshire.

Looking forward to see what track SCHORC will present us with!!
As usual, directions to the venue can be found on the THORL website.

SLOT Magazine

Perusing the shelves of my local WH Smith, and what do I find, only a copy of SLOT Magazine (first time in 30 issues!).

Even better, as part of the UK Slot Car Festival write up, the HO Zone has 3 pictures and decent paragraph, and the Matchbox PowerTrack has half page. Nice One.

AFX Release News

Some AFX News on the upcoming LMP Cars.

Due May 2019, we intend to make these will be legal at THORL races and the 6hr races, as soon as we can get individual cars.

“AFX Racing has a lot of exciting news coming in the next 6 months or so. To start things off here is a photo of the Deco Masters for the cars in the upcoming 24 Hour Champions set. What is a Deco Master? A hand painted body showing the color scheme, decals, etc.

These cars are still a bit rough but will let you see what they will look like.

Note the wheels on the Toyota TSO40 are not correct, they will have the same wheels the current LMP cars have.

We wanted this set out by Christmas, but unfortunately that won't happen. This set is due in May 2019.”

Some dates have released via h0slot.ch on their blog. Not sure where they got their info from, and how accurate it is.
